Cosmetologists are invited to send their resume and three references for employment at our dynamic Wellness Center in the Southern Tier. Therapists will be trained in our signature grapeseed sessions including facials, pedicures and manicures. We are looking to expand our services and offer natural hair care. Experience is preferred but not required. Part time weekend work available immediately.

The Finger Lakes Wellness Center and Health Spa in Bath, New York is located on a 215 acre resort in the beautiful Finger Lakes.Hickory Hill Family Camping Resort (Www.HickoryHillCampResort) offers seasonal lodging in cottages and lodges, camping facilities and full activity program. The center is affiliated with a non-profit organization, Wellness G.I.F.T.S. (www.GiftsRetreats.com) which services individuals with disabilities and their families.

Your inquiries and questions welcome!
Janet Opila-Lehman, MS., OTR., LMT.
